

Sign Up For School Lunch Today!

Dear Parents,

Welcome Back! We are excited to bring fresh and healthy lunches to your children again this year. At WT Café, we know you're busy, so we've made our ordering process even more intuitive and hassle-free than ever before. We have a new platform that is kid-friendly, so families can get involved in making healthy food decisions together.

How It Works

Go to wtCafe.com (select Naples as your location)

1. Click ORDER NOW and create account
2. Set up profiles for participating family members
3. Order and check out
4. We make and deliver your meals fresh daily

 Teacher Menu - we now have a menu specially designed for teachers with discounted pricing. Lunches will be available for pick up in the MAC.

 'Family Dinner Nite' - Family Meals will be available at your school for pick up on specific days of the week. A fresh and healthy, fully cooked meal will be oven ready to go when you pick up your child(ren). We will be providing more information on dates and how to order your family meals. 10% of the proceeds will be given back to your school as a fundraiser.

 Ordering Extra Food –Our new system allows you to order more than one entrée, drink or snack. If your child is needing extra food or food for after school activities, you can order with their lunch. Look for this new symbol for active kids or athletes to identify these entrees which have more of the right calories to fuel them through the day.

 Common Issues - If you experience issues with the new system, please read below for troubleshooting help.

- If emailed a new password, click on the link inside the email to log back into the system, do not go back to the old browser
- Do not copy and paste password, it will not read the new password
- If new location, click 'add location' to include your school or camp to profile
- System does not accept AMEX; you will need to enter a new credit card for payment
- Allergy tags, if you choose these they will affect the number of items available for purchase, if no entrees appear and tags are a preference, not true allergy, reduce the amount of allergy tags, for specific ingredients please contact us.

It is best to order 24 hours ahead of lunch time. You can order and cancel as late as 8am and have three rush meals to choose from for same day. Our commitment is to provide your child with freshest, made from scratch foods with great taste and “kid appeal”.

We take the privilege of feeding your child very seriously. Thank you for allowing us to be a part of their day!
