

COMMUNITY 2021-22 ENHANCEMENT PLAN

Maximize Learning • Minimize Risk

After a successful 20-21 school year, Community School of Naples is anticipating what learning will look like in August 2021. The 21-22 school year will feature both continuity and change: **Continuity** of the best features from this school year, and **Change** from the emergency protocols to a more typical school campus. Below is a list of both, which are set to begin June 1, 2021. Like last year, CSN will rely on experts and community members throughout the summer to inform decision making. This is a dynamic framework, and as more information becomes available, CSN will adapt accordingly.

CONTINUITY

- Requirement for all students and faculty to stay home while sick. See a health care provider with questions
- School members who have been diagnosed with any type of infectious illness need a note from their health care provider to return (see Magnus)
- Second healthcare professional in the Nurse's Office
- Emphasis on student well-being and social-emotional learning
- Increased outdoor seating and dining options, including the Picnic Pavilion
- Staggered lunch times to reduce lines and increase student breaks/recess
- Improved air filtration in campus spaces (MERV13 and UV filtration)
- Encouragement of student hand washing and good hygiene, with hand washing and sanitizing stations remaining throughout campus

CHANGE

- Face masks/coverings will be voluntary for students and faculty
- No more contact tracing
- Return to full on-campus learning (Schoology for remote learning)
- CSN parents and families welcomed back to campus for all meetings and events
- Removal of plexiglass dividers from classrooms and dining hall
- Return to standard student seating and classroom arrangement
- Return to normal athletic practice and conditioning routines
- Most field trips and school travel will resume, first locally, then nationally
- Updated classroom technology, including faculty laptops, iPads, boards, projectors, AppleTVs, etc

Committed to academic excellence, Community School of Naples inspires and empowers students to realize their own potential as engaged learners and responsible global citizens.
