

Lower School Academic Quiz Club

Academic Quiz Club Information

Students will be able to learn and answer questions that include various subjects such as math, social studies, science, literature, and more. By doing this they will increase their knowledge and love of learning. In April, they will be able to play a live competition (based on points) in front of the Grades 3-5. The club will be coached by Rich Melamed, the Head Coach of CSN's Upper School Academic Quiz Team.
